WARRAGUL'S PREMIERSHIP

Outstanding Exhibition of Football

Warragul, by winning the grand final, against Morwell at Yallourn on Saturday, gave one of the greatest exhibitions of football that ever been shown by any other Warragul combination.

From the bounce of the ball to finish, they completely dominated the game and every move was brilliant with brilliance. The game was clapped on by Warragul from the start of the game and, with the fast side to contend with, Morwell soon felt the strain and wilted under it.

A large attendance present, approximately £100 being taken at the gates.

By winning the premiership, Warragul completed the double, the second eighteen having won the honour recently. Col. Eastgate and Jim Kee had the great honour by playing in two premiership teams.
